PRESS RELEASE

FPS advises Lufthansa Cargo AG on the acquisition of Fiege Air Cargo Logistics GmbH & Co. KG (FACL)

Frankfurt, 25 November 2026 – FPS has provided comprehensive legal advice to Lufthansa Cargo AG regarding its acquisition of FACL (Frankfurt) from Fiege Logistik Stiftung & Co. KG (FIEGE).

Lufthansa Cargo AG is consistently pursuing its growth strategy. In addition to the steady development of its core business, Lufthansa Cargo AG is making targeted investments in measures to expand capacity, increase efficiency, and automate operations in order to ensure resilient supply chains in its home market and worldwide.

With the acquisition of FACL, cargo handling at the Lufthansa Cargo Center in Frankfurt will be managed in-house going forward. The transaction contributes to the consolidation of operational activities under the umbrella of Lufthansa Cargo AG – with the goal of offering customers even more reliable transportation solutions.

The long-standing strategic partnership with FIEGE will continue. The logistics service provider, headquartered in Greven, Westphalia, took over part of the physical cargo handling in Frankfurt - the most important hub in the Lufthansa Cargo AG network - through FACL in 2020 and has successfully established and expanded the business over the past six years.

Going forward, FIEGE will play a long-term strategic role in recruiting, training, and providing specialized personnel in the area of cargo handling.

The parties signed the transaction documentation on 20 November 2026. The closing of the transaction is subject to customary closing conditions, in particular antitrust approval.

The FPS team, led by M&A partners Dr. Thomas Schnülle-Weingart and Dr. Christoph Trautrims, advised in particular on Corporate / M&A, Commercial, Regulatory / Permits, IP, IT, Data Protection and Employment Law.

On Lufthansa Group side, the FPS team worked closely with the in-house legal department, in particular with Jonas Hamm, Dr. Adrian Rusu and Dagmar Hellenkemper as well as deal team leads Hendrik Zwaack and Patrick Wolf.

Lufthansa Cargo AG received antitrust law advice from Kümmerlein, Simon & Partner Rechtsanwälte mbB in collaboration with Christine Nowak as in-house legal counsel.

FIEGE was advised by Luther Rechtsanwaltsgesellschaft mbH.
